

Reminder: New Annual Meeting Policy

At its regular November 2016 meeting the DOY Board of Directors, passed a new policy for the 2017 DOY Annual Meeting. This new policy was adopted due to a large number of members not honoring their reservations for the 2016 meeting. This cost DOY a considerable amount of money and a lot of wasted food. Therefore, starting this year, DOY will place a ten dollar (\$10) hold on each member's savings account when the reservation is made. If the member does not show up for the meeting, the ten dollars will be used to defray some of the costs for not honoring their reservation. Obviously, if the member attends, the hold will be released and the member will still receive a free pasta & meatball dinner. Also if the member calls DOY on or before the reservation deadline as stipulated in the third quarter newsletter and cancels their reservation, the hold will be released.
