

Privacy Policy Now Posted at Website

DOY's *Privacy Notice and Disclosure* is now posted on DOY's informational website (www.doyfcu.com). Just go to the website and click on the red tab at the top of the home page titled "Privacy Policy." This outlines our policy concerning the handling of your personal information. In summary, DOY's policy is simply that we do not give out any information to outside parties unless they are contracted by DOY to perform other services on your behalf (e.g., statement printing, data processing services, check printing). To protect your privacy, we only work with companies that agree to maintain a strong confidentiality policy. We do not allow any company to sell our information nor do we issue any mailing lists to outside parties. If you have any questions regarding our privacy policy, please contact our office and ask to speak to the Privacy Compliance Officer (currently Michele Luca).
